SAFE ENVIRONMENT PARENT PERMISSION

Safe Environment Program

The Charter for the Protection of Children and Young People issued by the United States of Catholic Bishops requires dioceses and parishes to provide education and training for children, youth, ministers, educators, volunteers and others about ways to make and maintain a safe environment for children and young people.

The children's education program consists of age-appropriate lessons built upon the Church's teaching that "the human body shares in the dignity of the image of God" (CCC364). That dignity leads us to foster in every person the belief and awareness that as a person of God they are deserving of love and respect. Because dignity is a gift given by God at birth, abuse of all kind is harmful to that dignity.

Children being among the most vulnerable requires us to protect that dignity. Thus, consistent with diocesan policy, Immaculate Conception Church will conduct safe environment training as part of the religious education curriculum to be held in Fall 2021.

A parent meeting will be held to provide an opportunity to review the safe environment materials.
